Date: Wednesday, May 12, 2021 10:59:24 AM

CAUTION - EXTERNAL:

I William Nightingale am the Power of Attorney for my mother, Johanna. Since November, she has been in and out of the emergency room, the hospital, and rehab three times for each.

She got out of rehab yesterday, Tuesday, the 11 of May. I went through her old mail and found the card that she was sent regarding the ignition switch on the car that she co-owns. When I went to apply for her, they told me the last date that I could do it was April 20 and that I was too late.

I was wondering if that was true and whether or not you could intervene for me and try to get them to accept my application.

We still own the 2003 Malibu and would like to be involved in the settlement. With all of the commotion around here in the past six months the card took a back seat to everything else.

Anything you could do would be greatly appreciated, we could definitely use the settlement in these Covid times

**Sincerely,
William Nightingale**
